

WELCOME TO SUNSHINE COAST ART GROUP

Creative Arts Hub for All the Community

The Sunshine Coast Art Group (SC Art) has been a creative arts hub for the local community for over 50 years. It is a friendly meeting place for people to come and explore the arts, make new friends and have fun.

As a combined Art Group, we feature painting, pottery, sewing, life drawing, music and more. We offer weekly untutored group sessions for our members plus regular workshops and classes.

As our club is 100% run by volunteers, we encourage all our members to volunteer from time to time to ensure the continued operation of the club and to keep our annual membership fees to a minimum.

We offer great facilities for artmaking, the camaraderie of fellow artists, opportunities to learn new skills through workshops and classes and even the opportunity to sell your work. New membership enquiries are also welcome.
