

# WELCOME TO THE SUNSHINE COAST ART GROUP

## Creative Arts Hub for All the Community

The Sunshine Coast Art Group (SCArt) has been a creative hub for the local community for over 50 years. It is a friendly meeting place for people to come and explore the arts, make new friends and have fun.

Everyone is welcome from budding artists to seasoned talents.

As a combined Art Group, we feature painting, pottery, sewing, life drawing, music and more. We offer weekly self-help group sessions plus regular workshops and classes

As our club is 100% run by volunteers, we encourage all our members to volunteer from time to time to ensure the continued operation of the club and to keep our annual membership fees to a minimum.

Enjoy our facilities, the camaraderie of fellow artists and benefit from periodic lessons and self-help tuition. A warm welcome is extended to those considering joining our club.
